

Identity/Learning Style

We help student-athletes understand who they are and how they're wired.

1

2

Persistence

We teach student-athletes the role persistence plays in helping them navigate challenges and achieve the goals they have set for themselves.

Goal Setting

We help student-athletes see that when they set goals they will have a clearer picture of what they want and are more likely to achieve what they have set out to do.

3

4

Time Management

We assist student-athletes in learning that managing their time more effectively will position them to make quality decisions.

5

Career Exploration

We encourage student-athletes to discover their interests and skills and how that can help them identify potential career paths.

6

Financial Literacy

We prepare student-athletes with the knowledge and proficiencies they need to make effective and informed money management decisions.

FAFSA and Financial Aid

We expose student-athletes to the many financial resources available to them for their post-secondary education.

7

8

Transition to College

We prepare our student-athletes with the tools and resources necessary to thrive, and not just survive, in their first year of college.

Moving Beyond 12 is a comprehensive college/career preparatory curriculum for student athletes – a series of capacity building trainings to deliver student workshops, family engagement activities, mentoring and one-to-one advising. *Moving Beyond 12* works to prepare students for life after high school by connecting their skills, passions and desires to the necessary education and training to achieve their goals. We help students make choices that promote success in college and beyond.

By focusing on the unique needs of athletes and leveraging the key influencers in their lives (coaches and family), *Moving Beyond 12* connects student-athletes passions to their academic futures.

Athletes Beyond Borders serves as the institutional and fiscal partner to *Moving Beyond 12*. The organizations' shared belief in a comprehensive approach to community youth development helps youth and families build the skills and confidence needed to be productive citizens.
